

ALL SEASON AS4

TOURING ALL-SEASON

Whatever the weather, just use one tire. The All-New Eldorado All Season AS4 offers the best of both worlds. 3PMSF certified to offer reliable and safe performance 365 days a year. The directional pattern ensures safe driving during wet conditions and offers a superior look, while providing outstanding driving efficiency combined with enhanced wet braking performance.

FEATURES & BENEFITS

- "V" shaped and 3D siping cuts into water film deeply to enhance wet grip
- Provides reliable traction in all-weather conditions
- Massive lateral grooves, combined with an open shoulder design, disperse water quickly
- Meets the industry's severe snow service requirements and is branded with the three-peak mountain snowflake (3PMSF) symbol

SIZES

- Available in the most popular High-Performance and Ultra High-Performance 13" - 21" V & W-rated sizes

FITS

- Performance sedans, sport coupes and SUVs
