

LEGEND GT3 / LEGEND GT4

TOURING

The Eldorado Legend GT3 and GT4 are next-generation touring tires, designed for durability, traction and braking on dry and wet roads. The unique compound offers reduced fuel consumption and CO2 emissions. The durable construction offers a comfortable ride and is a smart choice for car owners who prefer a good balance between comfort and performance - safety for any situation!

FEATURES & BENEFITS

- Modern ventless, four-channel rib design provides year-round performance capabilities and efficient water evacuation
- Rib tread design reduces rolling resistance, offering excellent control, while its block design provides extended all-weather traction performance

SIZES

- Available in 13" - 16" T, H and V-rated fitments for expanded market coverage

FITS

- Sedans, coupes, and compact cars
